**The Haley Cremer Foundation
1st Annual "Rock the Room" Fundraiser
at the House of Blues in Boston**

Saturday May 14, 2016

The Haley Cremer Foundation was established in 2015 to honor its truly charismatic, inspirational and visionary namesake. Haley is remembered by all that knew her as someone who cared deeply for others. The Foundation was developed to carry on Haley's legacy by fostering her true passion in life: helping others in need. With this focus, the foundation strives to provide financial assistance to patients and their families to offset the costs associated with rehab services, provide support to organizations supporting medical research, and provide assistance to aspiring physical therapists / associated rehabilitation professionals through the funding of scholarly endeavors.

The Foundation is seeking donations for the silent auction, to be held the evening of the event, and its mission mission. If you are interested in donating an item(s) for the silent auction, please provide the following information and email this document to: events@haleycremerfoundation.org. We will contact you to arrange to pick-up your donation. All donations must be received by April 22nd. Thank you for your consideration!
